

CADET ORIENTATION FLIGHTS MARCH, 20th, 2010

Six cadets were given the opportunity to experience flying in one of CAP's Cessna 172 aircraft. The plane was piloted by Major Richard Werman. Capt Richard Pisarski, coordinated the ground support necessary for the flights. There were four flights, lasting almost one hour each that flew cadets around the local area including Worcester and the Quabbin Reservoir. Cadets participating in this exciting activity were:

**Nelson Blavin
Joe Goodreau
Marie Meak
Danny O'Connell
Ryan Royer
Matt Theofane**

To review the pictures of the cadets & seniors involved in the orientation flights, please refer to the Event Pictures portion of the website.
